Executive Summary

You’ve heard opportunity will come knocking, but in this case, it is about to break down the door! Bozeman, Montana’s population and economy has been and continues to grow exponentially. Not only is it an excellent place to excel in innovative careers, but it is desirable because of its raw and profound beauty. Investors and developers have a lucrative chance to take this 38.71 acres and build housing that appeals to those that are looking for a rural setting with a city’s amenities close by. The 38.71 acres are part of a larger plot of 166+ acres that have been subdivided into four parcels available for purchase as well. These pieces have so much to offer as they currently are part of a farming and ranching operation displaying how fertile the soil is and opportunistic the rare surplus of water that is available is. The prevalent irrigation ditches come with excellent water rights. Build an enviable dream home customized with your requirements and complete with views of the exquisite valley and the majestic snowcapped mountain ranges surrounding it. Utilize the nutrient rich soil for a small hobby farm or lease it out and enjoy the extra income. Rent out the pasture land for grazing or for horses. The possibilities are endless! Tall mature trees are ample on the borders of the plots offering shade and privacy or a good wind break. The acreage borders the popular Gallatin Heights subdivision in the expanding area west of Jackrabbit Lane. In addition, the Gallatin River is a short distance attracting anyone who would want access to fishing and boating anytime of the year. Relish the wildlife that wander through making this setting a painter’s paradise. A silhouette of an irrigation pivot can be seen ascending on its path to hydrate the corn or hay stitched into the fertile ground. The stack of hay bales amid the colorful wildflowers represent the wealth and fortune accumulated from this ground.
